**FACTS:**

- Out of 63 schools, 73% have grades of D & F
- Not one elementary school has a pass rate over 55% on State Milestones in Language Arts or Math.
- The economic future of Clayton is very dim based on the majority of our schools' performances which forecasts the quality of workforce.
- 68,000 students in 127 failing schools across Georgia (received F scores for 3 consecutive yrs.)
- The proposed initiative will provide assurance that the needs of students, parents, communities and teachers are met in order to improve academic excellence at all failing schools.
- 70% of Georgia's Prison population are high school dropouts (pipeline to prison)
