The Honorable Alejandro Mayorkas
Secretary of Homeland Security
Washington, DC 20528

Dear Secretary Mayorkas,

We are writing to you in our capacity as a State Representative of Georgia, where we serve a constituency that is deeply concerned with national security and the integrity of our immigration systems. A recent report issued by your department regarding the screening, vetting, and resettlement of illegal aliens in Georgia has prompted significant interest and concern among my constituents.

Given the importance of maintaining stringent security measures, we are requesting a detailed disclosure of the specific methodologies employed by the Department of Homeland Security in the screening and vetting of individuals as highlighted in your report. It is imperative that our citizens have full confidence in the processes that safeguard our state and nation.

Furthermore, to better understand the demographic impacts of these immigration policies on our community, we would appreciate it if you could provide a breakdown of age, gender, and country of origin for the individuals included in this resettlement initiative.

Transparency in these matters is crucial, not only to ensure that our policies effectively protect our citizens but also to maintain the trust and confidence of the public in their government's actions. We trust that you will treat this request with the urgency and seriousness it warrants.

Thank you for your attention to this critical matter. We look forward to your prompt response and to receiving the requested information.

Yours Sincerely,

Jordan Ridley
Georgia State Representative, District 22

Jason Ridley,
Georgia State Representative, District 6
